All Outputs are quoted in Watts

Fuel options available LPHW, Dual Fuel (LPHW with Electric Element) and Electric (Liquid filled Electric Control Only—to be installed with a 1/2" 3Bar Valve). Please contact us for further information.

Outputs quoted are based on mean water temperature of 80°C and a room temperature of 20°C (Delta T 60°C) or a mean water temperature of 70°C and a room temperature of 20°C (Delta T 50°C).

For other operating conditions apply the corrections factors below (apply to Delta T 60°C only)

Senso-Heat Service & Commitment

At Senso-Heat we are proud of our top quality products and are committed to provide the best quality of service to our customers from our highly trained dedicated team.
